

Beyond Malibu

July 16th - 23rd, 2022

Bethany is going Beyond this summer! Beyond Malibu is a week-long mountaineering trip that gives you the chance to get Beyond your normal life and walk into a great adventure. The trip begins and ends with a night at Beyond's base camp nestled along the shoreline of the Princess Louisa Inlet. Spend six days and five nights hiking and building friendships like you've never had before as you work together to reach the summit of one of British Columbia's beautiful mountains. The real adventure, though, is the chance to spend a week finding God in the wonders of God's creation and in the faces of your friends. Learn more about this amazing opportunity at <https://beyondmalibu.younglife.org/>
