

Bethany Community Church Accessibility & Parking Details

Parking & Accessibility:

We would like to prioritize spaces in our parking lot for those who have greatest need. If you are able bodied, please consider parking in the neighborhood or Green Lake Drive nearby.

There is parking available behind the Sanctuary building between 80th and 81st.

Stone Ave, between Green Lake Drive and 80th, is available for drop offs and pick ups.

There are wheelchair accessible entrances to the building and movie viewing spaces, with accessible, muliti-stall bathrooms on the main floor of the building, and an elevator to the 2nd floor of the building which has accessible single use bathrooms available.

We will have a space for any friends that need some extra wiggle room, sensory items, and headphones for any that could use them.
