

"Therefore we will not fear, though the earth should change, and though the mountains slip into the heart of the sea." Psalm 46:3

Dear Bethany Family,

Psalm 46 is both raw in its real articulation of how challenging changing times can be, and ripe with a hope that awakens in times like these—more profoundly than so-called normal times, because we come to know, in our daily lives, the unshakeable character of God. Though we are apart physically, God is uniting our hearts together, and shaping us to be people of hope—now, more than ever. Thank you for journeying with us!
